

VILLAGE OF EAST NASSAU

# BELL PARK

NOVEMBER 2014

**New Fundraising  
GOAL  
\$15,000**

## BELL PARK PLANS FOR THE FUTURE

Much still needs to be done in order for Bell Park to be a place we can all be proud of.

So far a slab has been put down, which will host the historic Meneley Bell that stood atop the Brainard Methodist Church since the late 1800's.

Plans for mounting the bell are in the works as well as plans to "re-erect" the church steeple over the top of the bell.

### Needs:

1. Shingles for the roof
2. Carpenter/builder to attach footings for the tower
3. Volunteer to mount the bell to the concrete slab
4. Top soil for the "green."
5. Park benches
6. Designers/planners to assist in the development of the park.
7. Volunteers to help maintain the space in the summer months
8. Knowledge of accessing state/federal grants to assist in this preservation effort.

## IT IS ALL PART OF A STRONG COMMUNITY

The creation of Bell Park stems from a collaboration of interested community residents. People from all over have donated time and money to make this park a reality.

The fire that destroyed the Brainard Methodist Church

was a shock to all who remember it. Our efforts to make sure we do not forget what was once there and display the truly historic artifacts that we managed to save will be a lasting tribute to the Brainard Methodist Church congregation and the whole Village of East

Nassau community.

If you can make a donation of any kind to make this park a reality please consider it.

On behalf of all those who donated and are volunteering, THANK YOU!
